Payer Credentialing Education!

The Minnesota Association of Medical Staff Services is excited to host a free, payer credentialing education for our members! This one day event will be an informal discussion led by Past President, Shelly Berg, who has over 20 years of experience in payer credentialing. Shelly hopes to cover items such as the MN Uniform application, Medicare, Medicaid, Malpractice Insurance, NPI, different requests that health plans and hospitals are requesting, etc.

Come with your ideas, questions and frustrations and network with other medical staff service professionals just like you!

Snacks and lunch will be provided by MAMSS

Please RSVP by November 30th

If you have questions, please contact Shelly at shelly.berg@carrishealth.com or via phone at 320-231-5079

**Tuesday, December 4,
9:00 am – 4:00 pm**

**ACMC Health/Carris Health
Willmar, MN**
