

Essentia Health

Find more than a job. Find more in yourself.

Find your calling. Essentia Health seeks employees who embrace our commitment to patient-and family-centered care in communities both large and small. We're looking for people who are committed to making patients and their families feel known and understood. People who understand what it means to be Here with you. People who are willing to use their strengths to help others.

Physician Credentialer – Medical Staff Office – Fargo, ND

Coordinate system-wide credentialing, privileging and payor enrollment for Essentia Health's providers and/or facilities. Additional responsibilities may include: coordinate and staff various committees (Credentials, Medical Executive Committee, Board, Medical Staff); coordinate provider expirables; maintain database; coordinate revision of bylaws, rules and regulations and policies; research enrollment issues and claim denials; coordinate Meaningful Use program.

Qualifications

Education and/or years experience required:

- 2 years experience in office, medical support role, or related experience.
- Bachelors degree required with a preference in health information management, healthcare, or related field.

Licensure/Certifications required:

- Certification from National Association of Medical Staff Services (NAMSS) when eligible (4 years credentialing experience required) or meets requirements to become certified in a timeframe specified by Essentia.

Essentia Health offers competitive salary and benefits that include medical, dental, life insurance, long-term disability, flex spending accounts, retirement plans, paid time off, and continuing education including tuition reimbursement.
